SHED TOUR SHUTTLES

These shuttles require a 'Shed Tour Ticket' in order to travel, it is important that you only travel on the time stated on your ticket. The shed tour start time is the time that the shuttle departs Bury Bolton Street, so please ensure you arrive at least 10 minutes prior to the stated departure time.

The tour shuttle will depart from the far end (south end) of Platform 3, this will be our 'Bubble Car' Diesel Multiple Unit. Shed tours will last approximately 1 hour. The return journey from our Locomotive Works at the end of the tour will be on a pair of Brake Vans which will have 'top and tailed' steam locomotives ('Pug' 11243 and Barclay 1969 'J' N Derbyshire). This Brake Van ride will arrive back into Platform 2 at Bury Bolton Street Station.
