

We look forward to welcoming you to our Halloween Ghost Trains! Please take a moment to read the following information before your visit.

ENTRY TO THE EVENT

The event begins at the main entrance of Bury Bolton Street Station. An accessible route to Platforms 3 & 4 will also be clearly marked.

Tickets will be checked on entry, so please have your tickets ready, either printed at home or on your mobile device. Your e-ticket can be found attached to your original confirmation email.

EVENT TIMINGS

Please ensure you arrive at **Bury Bolton Street Station at least 20 minutes before the departure time shown on your e-ticket**. This will give you plenty of time to enjoy our spooky footbridge and platform displays before boarding.

CAR PARKING

There is limited chargeable parking close to the railway, which is likely to fill up quickly. We strongly recommend using alternative car parks in Bury or travelling by public transport where possible.

This is an extremely busy event, so please plan your journey in advance to avoid delays.
